

**Excerpts from Unsolicited Letters about the 2006  
Singing Men Christmas concert-December 17<sup>th</sup>,  
2006**

Vivian,

Following the concert, I spoke to band members, friends and family of the CBB and some of our regular audience members who come to all of our concerts. Everyone had nothing but outstanding comments about the high artistic level of your vocal groups. Everyone was thrilled with the entire performance and the programming. Please share these comments with your groups and except our thanks for a wonderful experience. Best Wishes to you and Wendell for a glorious Christmas.

Cheers,

What a fantastic concert!!! Don said "Make sure we never miss that Christmas concert!" Many thanks to you and all the talented people with whom you work, for an inspiring afternoon! We took an old aunt of mine in a wheel chair and I'm sure it was the highlight of her year! You can still dazzle those keys! I could just listen to you play the piano for the afternoon, too. It was fun for us to look up and see Greg, too. We wish you and all your family a very Merry Christmas. You have certainly enhanced our Christmas week with that wonderful concert.

Fondly,

Ginny
